

Nomad in the Middle Presents:

# BEST PODCASTS OF 2019

Podcasting is enjoying a new wave of interest and listenership. Want to get started but don't know who to listen to? Read on!

## THE PIONEER: THE TIM FERRISS PODCAST

Filled with information from the 4-Hour Revolutionary himself and the always-great list of guests he brings on, Ferriss' podcast is a must-have in your library.

## THE INFORMED: THE JOE ROGAN EXPERIENCE

There's a reason why it's called an "EXPERIENCE": comedian Joe Rogan hosts an interview show that rivals almost any TV or radio show of its kind. An adept conversationalist and affable personality, Rogan always gets the best out his guests.

## THE ENTREPRENEUR: SMART PASSIVE INCOME

A legend in entrepreneurial and podcasting circles, Pat Flynn educates and informs on topics in business-creating and income-generating worlds.
